

# Fortitude.

Inspired by great African Queens, these four powerful designs share an old-world eloquence boasting timeless appeal. The parquet look has been trending internationally for centuries, and the myriad rich patterns will always be the stylish choice. Fit for royalty, they’re now ready to rule your great rooms.

## Extended Specifications

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| Type of Installation    | Dry Back (Stick Down)                                   |
| Application             | Heavy Commercial                                        |
| Wear Layer Thickness    | 0.55mm                                                  |
| Overall Thickness       | 2.5mm                                                   |
| Plank Size              | 1516.9mm x 228.6mm (l x w)                              |
| Quantity Per Box        | 3.47m²                                                  |
| Number of Planks        | 10 planks per box                                       |
| Chemical Resistance     | YES (EN 26987)                                          |
| Fire Index              | Bfl-s1 (EN13501)                                        |
| Slip Resistance         | DS-R10 (DIN 51130)                                      |
| Residual Indentation    | < 0.1mm (EN 24343)                                      |
| Thermal Conductivity    | 0.091 W/m*K (EN 12664:2001)                             |
| Electrostatic Behaviour | 0.1 kV (EN 1815)                                        |
| Dimensional Stability   | ≤0.25% (EN 23999)                                       |
| Colour Fastness         | m > 6 Grade (ISO 105-B02)                               |
| Sound Absorption        | Approx. 3dB (EN 10140)                                  |
| Castor Chair            | Yes, Type W (EN 4918)<br>(Use soft non-staining wheels) |
