

Penninsula.

As leaders of change in the flooring industry, Belgotex knows how important it is to create new products inspired by nature, that help you improve your life. That’s why we’ve introduced Peninsula, an innovative vinyl product that is perfect for any contemporary setting.

Product Information

Penninsula is water-resistant and an attractive, durable and convenient flooring solution for high traffic areas in your home like an open-plan kitchen, dining or family room area. It is available in an extensive range of finishes and based on a variety of different timbers, which give this faux wood product a realistic

look and feel. Choose textured planks for a more rustic appearance, or a smoother look for a more contemporary style. And the lighter colour palette fits any environment – irrespective of whether your home is traditional, modern or your own quirky, unique design.
