Mod Design Collection: Crossfire.

Make a statement in hip and happening heavy commercial areas with big and bold stripes on a light or dark grey background in either light-on-dark or dark-on-light options, combine the two or add a pop of colour with one of the bright and cheerful colourways that are also available in this range.

Product Information

Mix 'n match tiles and different lay directions for texture and tone in heavy traffic areas and even use them to direct customers to different areas within a commercial space, office or retail environment.
