The Forces Collection: Natural Bark.

Deep in the heart of a sun-filtered forest there is the peace and beauty of tall, ancient trees. Silent witnesses to the secrets of time. Dappled light plays on their sturdy trunks and thick tufts of moss are randomly dotted across their natural bark, which is nature's own unique and beautiful woody design.

Product Information

And because nature knows best, Belgotex has developed an inspiring carpet tile range for heavy commercial applications, called Natural Bark. The Natural Bark range is available in a variety of colourways, allowing you to bring the perfect nuances of natural tree bark – designed by nature itself – into the heart of your commercial environment.
