

# Portland.

Because we believe in the beauty of wood without the cost to nature or your pocket, Belgotex has launched a highly durable vinyl flooring plank range with an ultra-realistic wood look. Portland features a natural wood grain texture in straight, curly or wavy grain patterns, and even the occasional band-sawn effect, which adds warmth, depth and authenticity.

### Product Information

Portland is durable and water-resistant, which means it's great for bathrooms, kitchens and poolrooms, and the perfect floorcovering for a beach home. It's also easy to clean, quiet and comfortable underfoot. And the contemporary colour range will completely change the look and feel of your interior into a cool, natural

environment – a place to reconnect with your authentic self. At Belgotex, we really appreciate the beauty and goodness of natural wood. But we also know that for floorcoverings, Portland is the right choice for nature and for you. Every time you enter your house you will know that you're home.
